

DAV NTPC is immensely proud to share another great news that one of our students Mayur of class IX has been awarded with cash prize of Rs 10,000 and a certificate of excellence for participating in INSPIRE Idea Award Competition 2020-21 organised by Department of Science and Technology, Government of India.

Out of 651 awardees from Haryana, our student brought laurel to our school as Dav NTPC is the only DAV to receive that honour from Faridabad.

Heartiest Congratulations to Mayur and proud parents
