*“It is only in our darkest hours that we may discover the true strength of the brilliant light within ourselves that can never, ever, be dimmed”.*

Dear Parents

The academic session 2021-22 has begun in full swing and students are connected well with the teachers virtually.

Now it is the time for children to look forward for vacation time when they can relax and basically chill out enjoying those little pleasures of life which get left behind during the busy school routine. The summer vacation for classes-III to XII begins from 25<sup>th</sup> May 2021 and school will re-open on 1st July 2021.

To ensure that the children have a constructive holiday, some Holiday Homework & Projects are given which will keep the child active and observant. These projects can easily be done by the children and you could assist only where required. You can download the Holidays Homework from our school website-[www.davntpcfbd.in](http://www.davntpcfbd.in) from **25<sup>th</sup> May 2021** onwards and also will be shared on what's app class groups.

It is the time of the year again when we can do things which we were unable to do during the regular routine days.

- *Read books! May it be fables, fairy tales, encyclopedia or comic books. Explore the imaginative world and go on a fantasy tour.*
- *Run, exercise, sweat! Channelize your energy and enjoy playing indoor games.*
- *Enhance your communication skills by conversing with your friends and family in English.*
- *Explore the culture and heritage of the world by visiting heritage sites virtually. Download the app 'Google Earth' and enjoy virtual tours around the world.*

We at DAV NTPC feel every situation is an opportunity to learn and grow. Keeping this in view, the school is organizing an online Summer Camp classes-III to XII through Google Meet This camp will be from 27<sup>th</sup> May 2021 (Thursday) to 23<sup>rd</sup> June, 2021(Wednesday).
