

DAV PUBLIC SCHOOL, NTPC

Reminder Circular

Date: 15.09.17

Dear Parents

This is with reference to circular dated 27.07.17 we are again sending you the reminder regarding safety and security of your child. We have always endeavoured to provide your ward a secure environment in the school. This however is not possible without your support. I would like to remind you a few points that we have reminded you in the past too.

- As on date the school is running three school buses & one van.
- We have attached great importance to enhance the safety and security measures of children travelling in our school buses. We furnish hereunder a list of such enhanced safety measures which have been implemented:
 - All buses are being run by licensed and experienced drivers.
 - Each bus has 3 adults in the bus. A trained driver, a lady attendant/ Teacher and a conductor.
 - School buses are equipped with **CCTV Cameras, GPS, Speed Governor, first aid and fire extinguisher.**
 - **Route chart and stop timings** have been displayed in the school buses and also being sent on **school website and what's app group.** New route may be added during the academic session.
 - Note: If your ward travels by private transport, please ensure that the driver should have license and experience; vans should be well maintained, running on **CNG/PETROL/DIESEL** and not on LPG. Overcrowded vans are a threat to your ward's safety, so as far as possible, try to have your ward travel by the school bus wherever the facility is provided. If possible also go for the police verification of the driver. In case your ward travels by private transport, please fill in the undertaking and send it back to the class teacher latest by **Monday .i.e. 18.09.2017**
- Kindly ensure that the students who travel by private transport & self should report and disperse on time. School timings are **7:45 am to 2:10pm for senior wing & 8:20am to 1:10 pm for junior wing.**

Note: For any queries contact school office. 0129-6500350

TOGETHER WE CAN PROVIDE SAFE AND SECURE ENVIRONMENT TO OUR CHILDREN TO GROW.

With regards
Alka Arora
(Principal)

Undertaking Circular (LKG-XII)

I (mother/father/guardian) of studying in hereby state that my ward does not use the school bus/Van. I have made my own arrangement for dropping and picking my ward to and from the school. He/she is dropped personally/ himself/herself/private transport. I categorically state herewith and undertake that I myself hold and bear the responsibility whatsoever the case during the transit of my ward to and from the school.
