

Respected parents, staff and dear students,,,

In the wake of the second wave of COVID-19, we urge you to take all the necessary precautions as specified by Central and State Governments.

You can also reduce your risk by following these simple tips*:

👉 Wash your hands regularly with soap and water, or clean them with alcohol-based hand rub.

👉 Maintain at least 1 metre distance between you and people coughing or sneezing.

👉 Avoid touching your face.

👉 Stay home if you feel unwell.

👉 Refrain from smoking and other activities that weaken the lungs.

👉 Practice physical distancing by avoiding unnecessary travel and staying away from large groups of people.

👉 Wear a mask around other people and while venturing outside.

आप सबको ' 🙏 राम-नवमी ' की बहुत बहुत बधाई 🙏

With Regards
