

Dear Parents,

The essence of Diwali multiplies by giving and sharing. Echoing the age-old slogan 'EK MUTTHI ANAJ', our davians endeavor to reiterate this spirit every festive season.

We call every member of our DAV family to donate sealed packets of dry eatables like grains, pulses, rice and spices for this noble cause before 2 Nov, 2021.

Join hands in this small effort to spread joy and happiness in the lives of as many as we can.

Thanks

DAVPS, NTPC
