EVALUATION PATTERN

DAV Centre For Academic Excellence has designed Curriculum Guidelines for classes LKG to II. It explains in simple terms the **What, Why and How** of developmental areas of Physical, Motor, Social, Emotional, Language, Cognitive, Creative and Expressive Arts, Health and Hygiene, Nutrition and Value Education. The Evaluation system develops a regular, systematic and methodical learning among the students, through Experiential learning, Art Integrated and Innovative methods. The assessment of each child is based on his/her cumulative record of the on-going assessment which is done on daily basis i.e. CCE (Continuous Comprehensive Evaluation) during teaching-learning process. It is recorded in three ways – Checklists, Collection of work and Anecdotal Records. Cumulative cards have been designed by DAV Centre For Academic Excellence for three terms.
