## CIRCULAR

Dear Parents

The National Education Policy (NEP) 2020 has given lots of emphasis on promoting Skill Education in schools. As a first step towards this and to equip the school students with the relevant employability and entrepreneurial skills, CBSE has launched skill modules for Middle School. This is aimed at imparting practical skills and moulding a more productive and innovative future India.

The school in compliance with the CBSE guidelines has decided to introduce a few of the suggested skill modules for the students of Classes VI to VIII which will ensure that every child learn at least one vocational subject and boosts creativity. The subjects offered are as follows:

- \*Artificial Intelligence VI only
- \*Mask Making VI - VIII
- \*Food Preservation VI - VIII
- \*Block Printing (VI - VIII)
- \*Handicraft VI only
- \*Embroidery VI - VIII

- \*Coding VI - VIII
- \*Augmented and Virtual Reality VII only
- \*Medicine First Aid VI only
- \*Mass Media VI - VIII
- \*Satellite Communication VI only
- \*Digital Citizenship VI only

Kindly note the following: -

- \*Students have to opt one course out of the give above.
- \*70% of practical and 30% theory will be incorporated.
- \*Duration will be of 12-15 hours.
- \*Classes for special skills will be conducted during the school hours.
- \*Final assessment after completion of the course will be done by the school as per the CBSE guidelines.

vi) You are kindly requested to guide your ward to make a choice as per his/her area of interest. Your kind cooperation is solicited to achieve our joint goals. Kindly return the duly filled consent form to the respective class teacher by Friday 19<sup>th</sup> May, 2023.
